【第２部】 音読問題

Kenji is a high school student.　He has a friend in Australia and her name is Nancy.　They often send e-mails to each other.

Last week, Nancy asked Kenji about his hometown, Okayama City.　At first, he tried to get some interesting information about Okayama City on the Internet, but there were so many web-sites that he couldn't choose one good story.

So, he told his grandmother, 73, about this.　She has lived in Okayama City since she was 5 years old.　She told him many interesting stories about Okayama.

He learned many things from her and could make a good report about his hometown to Nancy.
