

令和8年度 岡山県立西大寺高等学校特別入学者選抜選択実施する検査（口頭試問）

【第1部】音読問題

Sota is a high school student. In his English class, each student chose a country and studied its famous things. Sota chose Australia because he watched a TV program about it. He wanted to learn about wild animals, so he read books and used the Internet. He wrote a short report in English and then gave a presentation to his classmates. At first, he was not good at speaking English, but he practiced many times at home. After his presentation, his classmates asked him some questions, and everyone enjoyed learning about animals in Australia. He wants to visit Australia someday and learn more about such animals.

*Australia オーストラリア
